

# The Inflatable RV SKIRT

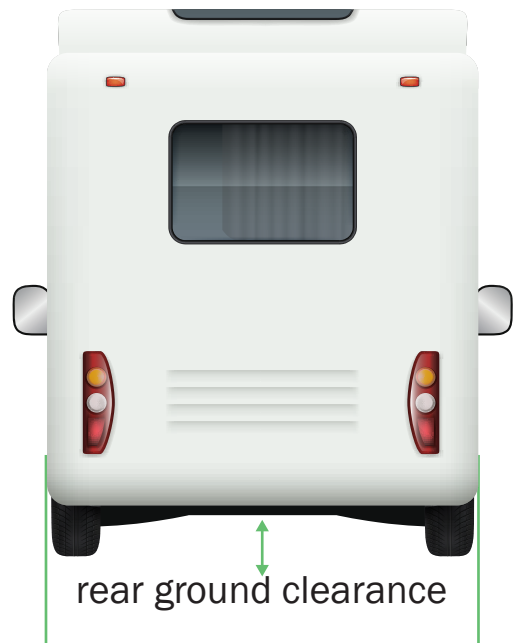

## MOTORCOACH AND VAN MEASUREMENT GUIDE

Thank you for choosing AirSkirts. For motorized RVs we require some additional measurements to make sure we send you a kit that fits. Once measured, please submit your measurements to [www.airskirts.com/measurements](http://www.airskirts.com/measurements)

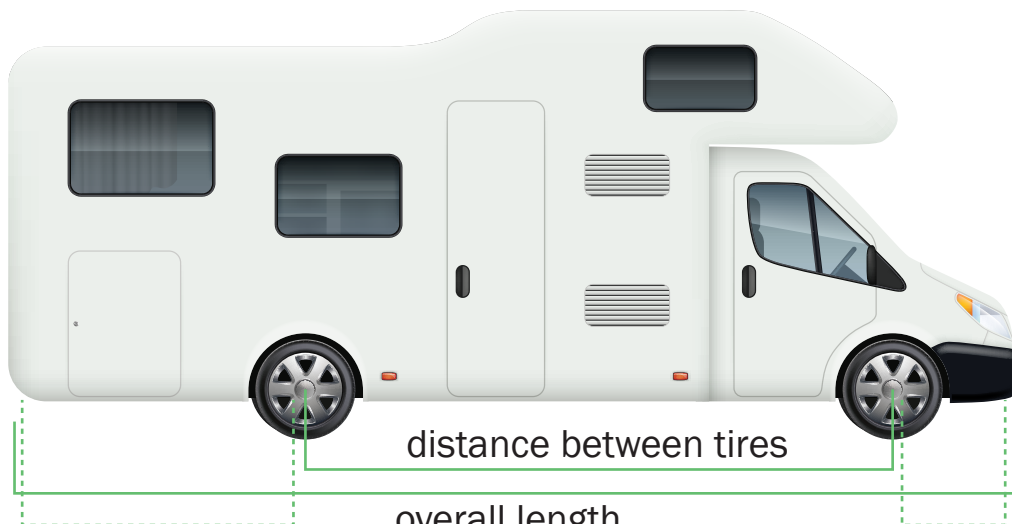

front ground clearance

front overall width

rear ground clearance

rear overall width

distance between tires

overall length

rear bumper to rear wheel center

front bumper to front wheel center
